- Time Management
- Networking
- Problem Solving
- Adaptability
- Creativity
- Fast Learner
- Team Work
- Responsibility
- Flexibility
- Dependability
- Active Listening

Programming Languages

- C++
- SQL
- Python

Certifications

- [CV, BI, UI/UX] Dare to Be workshop [3/2023]
- Software Engineering Diploma [12/2022]
- Huawei HCIA-AI [8/2022]
- AWS Machine Learning [8/2022]
- Product Matter Bootcamp [8/2022]
- Data Analysis Challenger [7/2022]
- Python Fundamentals [7/2022]
- Intro to Artificial Intelligence [9/2021]

Ashraf Abdukhalik Bassuoni Abdulaziz

Objectives

AI student with a mix of experience in data science, machine learning, Reinforcement learning and natural language processing. Skilled in data cleaning, analysis, visualization.

Education

- [10/2021-present] B.Sc in Artificial Intelligence
Kar El-Sheikh University, Egypt
Third Level, 3.58/4 GPA

Experience

- [1/2023-present] Data Science Intern
ShAI, Jordan (Remote)
- [9/2022-12/2022] Software Engineering Intern
Orange Digital Center, Cairo (Hybrid)

Volunteering

- [9/2022-present] Data Structure & Algorithms Member
GDSC, Kafr El-Sheikh (Remote)
- [3/2023-6/2023] Machine Learning Member
IEEE SB, Kafr El-Sheikh (Hybrid)
- [10/2022-1/2023] Python Development Member
IEEE SB, Kafr El-Sheikh (Hybrid)

Projects

- Biometric Attendance System [5/2023]
- Face Recognition Door Lock [5/2023]
- Heart Rate and SpO2 Measurement [5/2023]
- Human Activity Recognition [5/2023]
- Attendance System using Ultrasonic Sensor [4/2023]
- Humidity Measurement System [4/2023]
- Chat Bot [4/2023]
- Firefighter Robot [3/2022]
- Cashier Library System [12/2022]
- Customer Satisfaction Analysis [12/2022]
- Heart Attack Prediction [12/2022]
- Secure Communication between Two Devices [12/2022]
- Object Detection Model [11/2022]
- Bitcoin Price Retrieval [10/2022]
- Robot Car using DTMF Module [6/2022]
- CNC Plotter Machine [5/2022]
- Kids Learning Program [5/2022]
- Obstacle Avoiding Robot [12/2021]

Achievements / Events

- Attended **Techne Summit Cairo** [3/2023]
- Attended **IEEE Kafrelsheikh SB Conference for Students and Volunteers - CSV** [3/2023]
- Attended **Dare to Be workshops [CV, BI, UI/UX]**, Obtained Best Interactors Certificate [3/2023]
- Attended **TeqFest Quantum Computing** [10/2022]
